BOOK A WORKSHOP FOR YOUR STAFF!

1 in 3

Canadian workers
have experienced
domestic violence at
some point in their life.

Over half of all workers suffering from
domestic violence are victimized at work.

80%

of victims found that domestic
violence negatively affected
their work performance.

-Western University

- Learn how to recognize warning signs and signs of high risk, and how to effectively support coworkers and employees who may be experiencing domestic violence.
- Identify ways to make your workplace a safe and inclusive environment.
- Presentations are 1 hour in length and can be offered in person or online.
