Attention Parents / Guardians,

[insert presentation title e.g., Healthy Relationships] – Guest Speaker

On [insert date], the [insert grade level] students at [insert school name] will receive an in-class presentation on [insert topic], given by an Educator from Halton Women's Place.

It is our desire to help students to make well-informed, healthy choices, build developmental assets, and to help instill behaviours that contribute to the wellbeing of self and others. The guest speaker attending your child's class is trained in facilitating these sessions, and the presentations have been approved by the Halton Catholic District School Board.

Halton Women's Place school-based presentations focus on social-emotional learning, safety, and skill building that lends itself to youth becoming leaders in violence prevention. This is a special opportunity for students to gain knowledge from a local expert.

If you would like additional information about the content of this presentation, please get in touch with your child's teacher, or the Education Team Lead at Halton Women's Place.

Sincerely,

Jerusha Mack, OCT, B.Ed.
